

EQUIP FOR LIFE

EFL is a one-year programme designed to equip and educate recent matriculants for their future through practical, relevant and Biblical teachings and experiences.

HEAD

The programme includes **courses** that will teach skills useful in the study and work environments, with focuses such as **finances, relationships and leadership**. In addition, we will facilitate students who wish to rewrite matric or study online. We will also allow time and support for upskill through open-source avenues.

HEART

Students will be immersed in church community, serving in various ministry teams and working in the church. Through **serving, teaching and mentorship** students will grow spiritually in their relationship with God and personally in their character.

HANDS

This element seeks to prepare students in practical **life, social and leadership** skills; interacting with each other, their leaders, teams and community in different contexts. Students will also be involved in local social justice activities and go on a Lesotho Missions Trip.

" - may he equip you with all you need for doing his will. May he produce in you, through the power of Jesus Christ, every good thing that is pleasing to him. All glory to him forever and ever! Amen."
Hebrews 13:21 (NLT)
